

*THE NATIONAL COUNCIL
of the
SOCIETY OF SIGMA GAMMA EPSILON*

Regulations of the W. A. Tarr Award

1. Any student in the Earth Sciences at the school in which an active chapter of the Society is located is eligible to receive the Award whether a member of the Society of Sigma Gamma Epsilon or not.
2. The recipient of the Award must have majored as an undergraduate in some phase of the Earth Sciences, (e.g., Geology, Metallurgy, Mining, Petroleum or Geological Engineering, Ceramics, Geophysics, Hydrology, Oceanography, Environmental Sciences).
3. Scholarship is the essential basis of the Award, but personality, leadership, contribution to the school, ability to get along with people are worthy of consideration.
4. The Award preferably should be granted to a graduating senior. (It is not contemplated that the Award will be made more than once to the same person.)
5. Completion of one or more courses such as field work subsequent to the date of normal graduation may not cause an individual to be ineligible.
6. The selection of the student to receive the Award shall be made by a committee consisting of members of the *Active Chapter* and *three faculty members*—two of whom shall be members of the Society. The Faculty Advisor, in conjunction with the chapter, shall set up the method of selecting the Award Committee.
7. The Award will consist of a suitably engraved certificate, signed by the National President of the Society and by the Faculty Advisor of the respective chapter. The certificate shall bear the inscription:
